PORTLAND, Ore. – Oct. 27, 2021 – Daimler Trucks North America (DTNA) today announced the 43 recipients of its 2020 Masters of Quality supplier award. The award honors the top component and service suppliers to DTNA’s Freightliner and Western Star brand trucks.

The annual program recognizes outstanding suppliers that have received high scores based on their quality, delivery, technology and cost performance as measured on a balanced scorecard basis. The recognized suppliers demonstrate dedication to continuous improvement of the quality of their products, support of DTNA and overall performance.

“The commitment of all our valued suppliers who deliver for us, and for the fleets who keep the world moving, is appreciated and felt now more than ever,” said Jeff Allen, senior vice president of operations and specialty vehicles for DTNA. “We are pleased to recognize this year’s Masters of Quality award recipients and are honored by their dedication and partnership.”
